The martial art was born in Japan to defeat the strongest-

Shut up about "the strongest~~~" and go hang this up

Huh?? Why don't you do it!!?

目指すは男の生き方だ!!
新連載!?四大場25P!!

I'm busy preparing breakfast!

why don't you change the clothes too

But why me!!

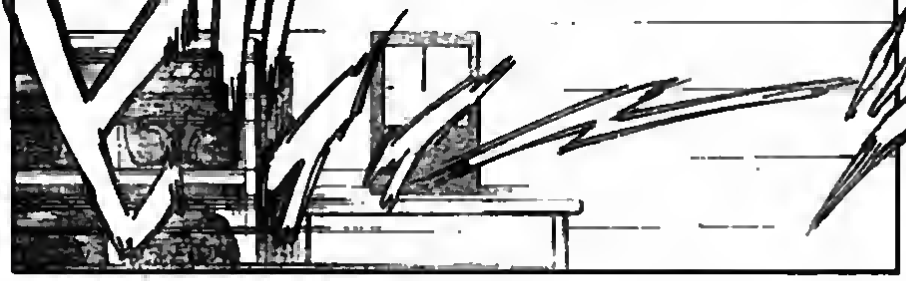
Work hard, kid
Damn! Even though I'm in a summer vacation
Why am I alone?? Where the heck is that guy that was here yesterday!!?
Huuh? Cuz I have a young body
Old fart... even though you're old, you were still sleeping!!?
slowt!
No!
Hu h!?
It's better than this crap!!
Then let me do some kicking too!!
The job kick boxers here have are cleaning and gathering up veggies only
The others are doing the morning running exercise in the mountain

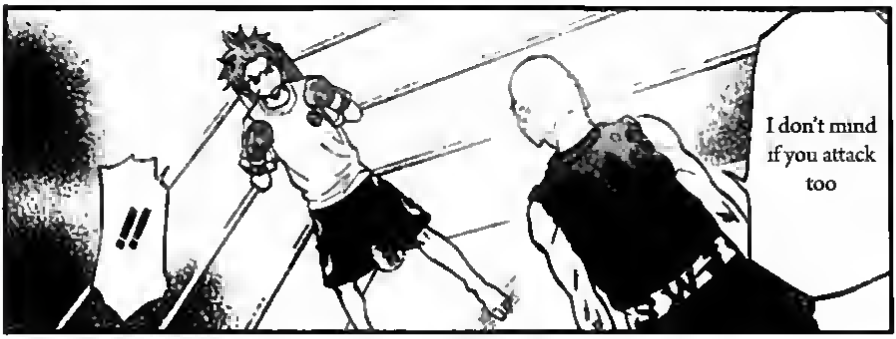
Pshh!! I beat the one of them yesterday!!
Don't want some half-hearted kid to mess them up
The kickers here are serious

You're like a sand bag if pro sees you!! You won't even last a minute!!!
If I feel like it, I'll become a champion any day

Beating my dad was a lie too!!
And that's why you can't reassess me too!?
Heh, you aren't letting me become a kicker because I'm too strong!
Wanna try?

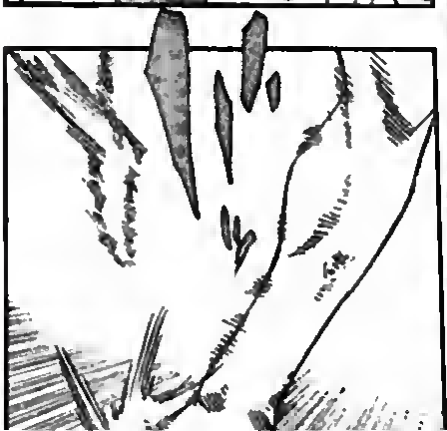
If you knock me out, you can go home
If you can last 1R, I'll let you do some kicking
It's not overwork ing, I said it earlier
Don't over-work yourself, old fart
キュッ
That I have a young body
SW
SW
What the hell is this old fart....!!
Don't blame on me if some-thing goes wrong



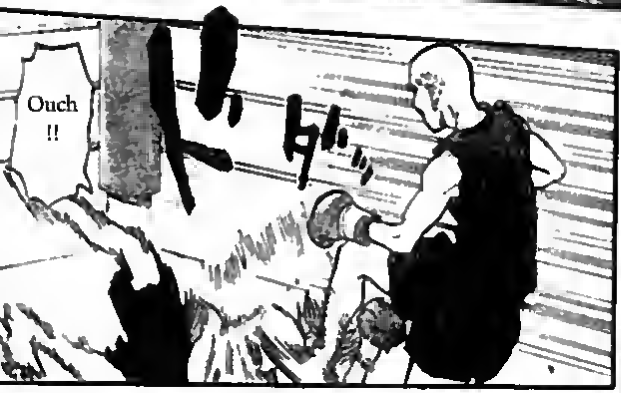


!!
I don't mind if you attack too

O.. old fart!!



But there's only 3 minutes, I'll finish this quick



Ouch
!!

what!!

he kicked with the leg!? but it felt like..
Ugh ...
Yo, hurry up and get up

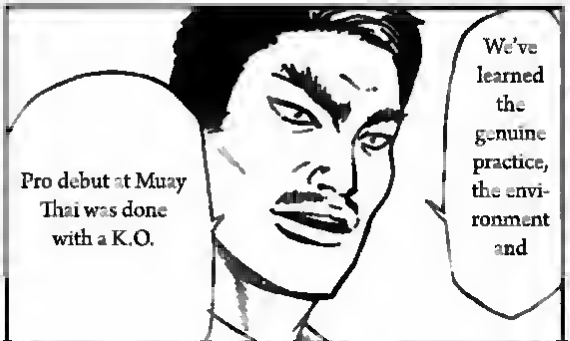
You're using a dirty trick, old fart!!!
You got some metal inside your leg!?
A steel bat!
When you're a pro everyone's shin becomes like this
even though mine's extra hard
Moron! You use shin to kick with
There's totally no damage!
Hurry and get up or are you giving up already?
Your dad didn't give up so early though?

!!
What's this sound? How long are you taking to put the clothes...
m.. monster old fart...
Wow he's on the floor!!
Didn't even last 1 round, kid
What are you doing grandpa!!!?
Ehh... then I'm alone?
He won't get up anytime soon so let him be!
Oh
Oh! It's been so long!!
There's a car out on the front...
Is it a visitor?
Car?
I'm back!!
Oh kouki, you are getting much faster!

I'm glad you look healthy, father
I can't see you often since you're in the heart of a mountain

Well we just got back yesterday from this Seidou's training at
Seidou, go inside
Suzu is there too

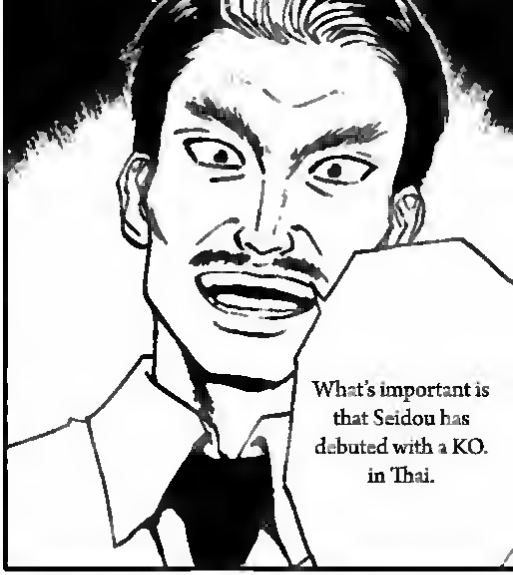
Oh it's Atsushi, what's up?
S.. Seidou!



We've learned the genuine practice, the environment and
Pro debut at Muay Thai was done with a K.O.

Damn you, stop ignoring!!!
Where's Suzu?
I'm older than you!! Use keigo
You still were doing kick, Kouki
Defeating Muay Thai... It was our "dream"
I read in a magazine that it's the first step to defeating Muay Thai
So how was the opponent?
We talked about it a lot
?
The opponent? That doesn't matter
The feat in which no outsiders have done, a perfect conquest, that is the KB's dream..
Gathering the Titles of the two most prestigious stadiums of Muay Thai

Atsushi
...



What's important is that Seidou has debuted with a KO. in Thai.

It's been long Suzu....
WHAT!!
?

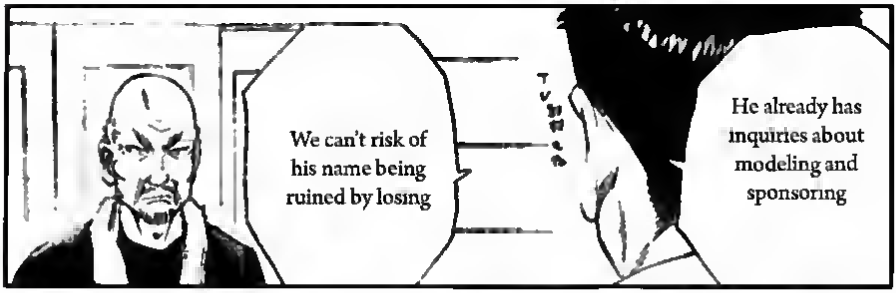
I beard you were here
Kazuki! Why are you here!?

We are only a friend from early childhood!
you know it too!
R... really?
Because our relationship is accepted by both our parents
What did you come here for!?
Well look at this
Martial arts magazine, fashion magazine, maker's catalogue
I got offers elsewhere too
It's also for you Suzu that Atsushi is working hard
I said I don't like that stuff!
I really don't like this kind of stuff...
Your father probably did this for you!?

You came to show this off!?
Seidou... are you taking kick that lightly?
I hate him saying that, that's why I'm here!!
It's him that wants to do it but he keeps saying it's for me!!
Don't forget that there are people that are working extremely hard!?
While you're doing shit like this...
I wanted you to hear my worries
Ok, ok, I'll get serious
Seriously, why did you come here!?
Thanks for doing worthless effort
Ugh.. you!!

What ?
To keep doing kick or not to....
What do you mean, Atsushi
You see, father
Martial arts is not something stoic anymore, it's a business
Well, What I mean is that the Thai player this time around was a weak one
I have made all the arrangements

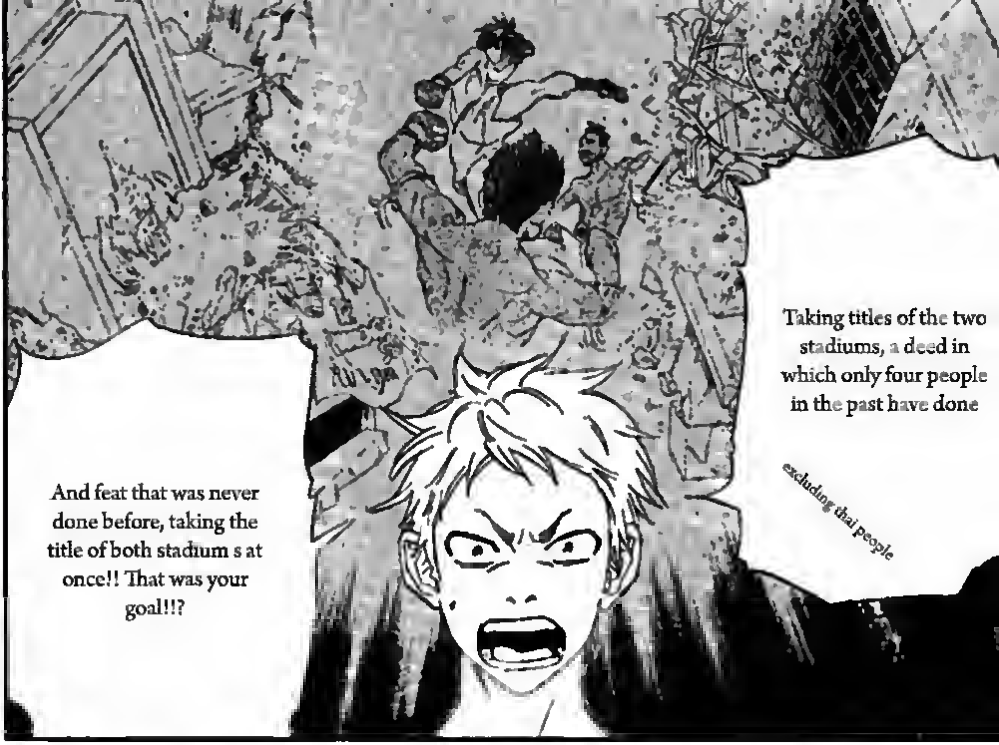
Nice looks, excellent fighting sense, there's no way the media will let him go!!
Because of this thing at Thai, Seidou became the No.1 Rookie in which everyone is focused on!!



We can't risk of his name being ruined by losing
He already has inquiries about modeling and sponsoring

I will make Seidou a charisma that goes even beyond the martial arts business!!!
Creating results in a reliable way

That's what Seidou himself wishes to do that right?
Atsushi
Did you get scared off by the people in Thai?
Eh? Why!? Pro debut was a real success though!?
Wondering if you should quit kick or not
Defeating Muay Thai...
Where is defeating Muay Thai gonna go!?

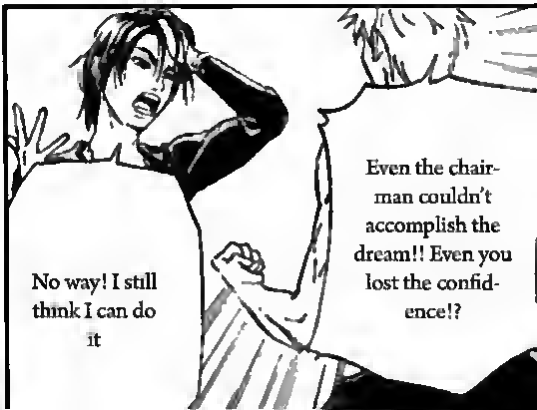


Taking titles of the two stadiums, a deed in which only four people in the past have done
excluding thai people
And feat that was never done before, taking the title of both stadium s at once!! That was your goal!!?

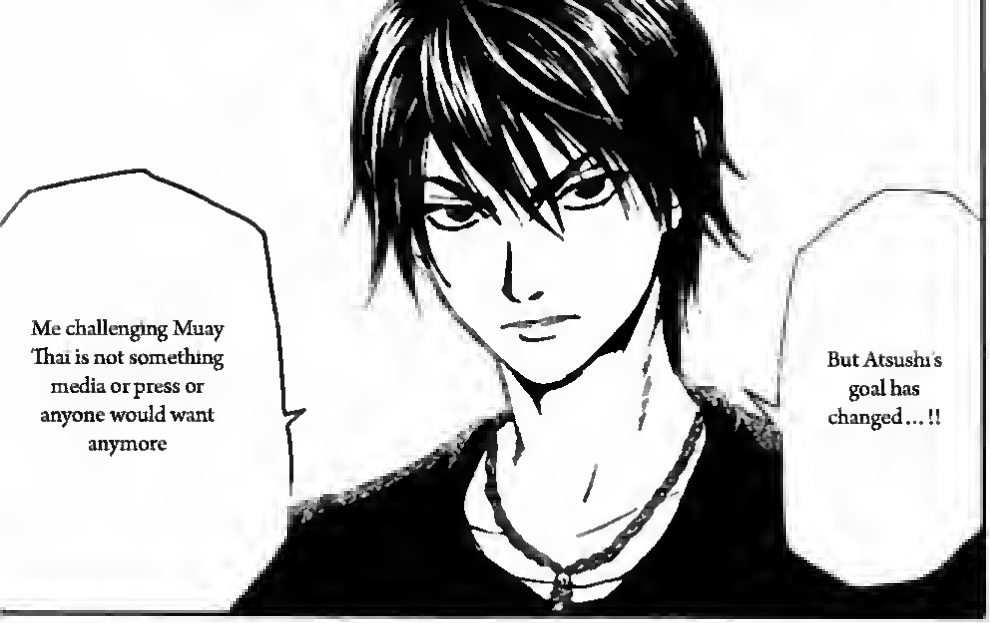
So even the old fart!?
Feat that was never done before? No one has ever accomplished it?

Not "yea"!!
Yea

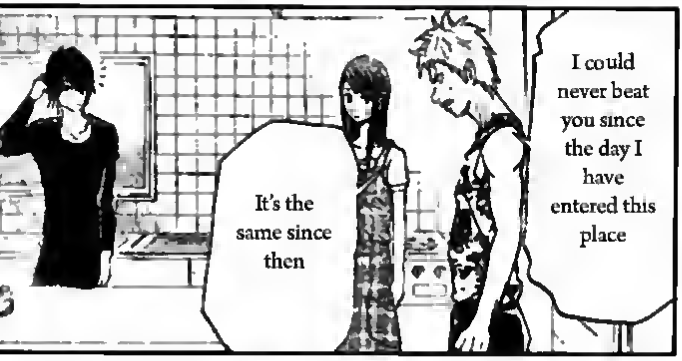
As I thought!!!
Even the old fart couldn't do it!!!



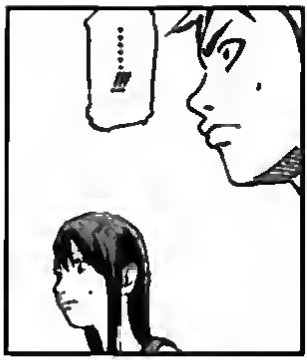
Even the chairman couldn't accomplish the dream!! Even you lost the confidence!?
No way! I still think I can do it



Me challenging Muay Thai is not something media or press or anyone would want anymore
But Atsushi's goal has changed...!!



It's the same since then
I could never beat you since the day I have entered this place

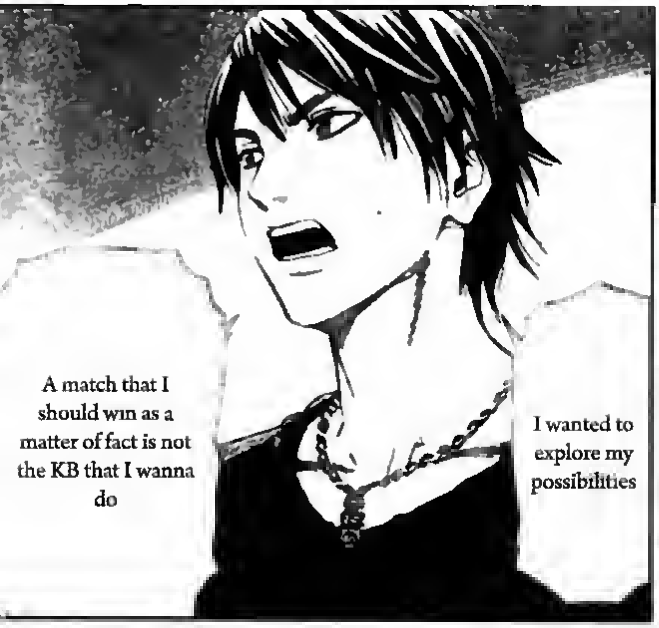


...

I've practiced double!! But the difference between our skills kept becoming wider!!!
You were my goal, I wanted to overtake you

First, the winner of all Japan glove karate Jr. Tournament
Then in middle school, won the tou-ryu-mon all Japan amateur tournament
And won the open-weight glove karate tournament this spring
In the finals, beating a guy with more than 40 kg apart with a K.O.

you're a "genius"
You're different from me..
I regret to say it but the results show



A match that I should win as a matter of fact is not the KB that I wanna do
I wanted to explore my possibilities

There's no real purpose anymore
Y... yea you really shouldn't quit

Well then quit!!
I'll go talk to my dad!!

Don't joke about it...
Well if Suzu saids "please" I'll think about it

Who are you...!?
No who are you? You were saying some big-shot stuff
But you were just being a baby crying to a girl
Sen Tobi-shima!!!
Yo, stop being a stuck-up and big-mouthed moron
Hey don't worry about it cause I'll do it
What the hell did you say!!
But you look so much weaker than the old fart!!
You said something like doing what old fart couldn't

Uhm !!
Hey!
What are you gonna do!?
Will be done by Me, Sen Tobishima!!! I've decided!!!
The feat that was never done before, beating Muay Thai
But it's a thing some ordinary moron couldn't do
I don't even know who the heck you are
And you lost to me!!
You've never even done kick before!!

Why don't you shut up cause you can't even decide about yourself!!
And so what!! I believe I can do it!!!
Just do whatever you wanna do nomatter what!!
What about "Suzu saying please"!!!
so embarrassing dude!!

The deed in which no one has done before
The unreached dream even by the guy my dad acknowledged
I'm not making this up
You better stop saying this if you're just making crap up!!
Those are enough reasons to put my life to!!
Let me see if you're right, red head
But put your life to? You're pretty big-mouthed too?
Hey you really talked some shit
To overcome my dad and old far, I gotta do this!!!
